Our 1st Annual Tribal Culture Camp will be held July 18-21, 2018 at Land of Spirits off Hwy 135 between Troup and Arp Texas. Each day will begin with prayers and smudging at the Sacred Fire and we will have various spiritual and cultural teachings that will include; Sacred Pipe teachings, Ugaya 7 Clan teachings, Tobacco offerings and Prayer ties, Tsalagi language and sacred songs, Three Sister garden and seed saving, The Sacred Ceremonies of the Tsalagi Nvdagi, Going to Water and Gvnege Adadatsi ceremonials, the 7 Grandfathers, and much more! We will begin with the basics and work from there. We will also be performing Gadugi at the Tribal Treaty Land in preparation for the Quarterly Tribal Council Meeting Saturday July 21, 2018.

Please RSVP so I know how many hand outs and teaching aids I need to prepare and bring with me. I am traveling all the way from La Luz, New Mexico to gift you all with these teachings and this is the best way for you all to reconnect to your roots.
